Assessment Overview

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Feedback Survey- HAVE YOUR SAY

Feedback

Unit contents needed to be review and updated where possible.

Recommendation

Students' observations regarding the study guide links that are not working will be checked. Attempts will be made to fix or replace the broken links with new ones where possible.

Feedback from Feedback Survey- HAVE YOUR SAY

Feedback

Lecture and online resources should be more supportive for student.

Recommendation

An improved continuous improvement approach will be in place to enhance the quality of the unit contents by adding new case studies and clear instructions for assignment requirements. Students will be given adequate time in the class to ask questions to ensure lecture contents and assignment questions are aligned.
