Schedule

Week 1 - 11 Jul 2022

Module/Topic	Chapter	Events and Submissions/Topic
The moral dimension of business	Chapter 1	In this module you will begin to explore the importance of ethics in business, as well as some of the moral or ethical codes we live by.

Week 2 - 18 Jul 2022

Module/Topic	Chapter	Events and Submissions/Topic
--------------	---------	------------------------------

The study of ethics and its theories	Chapter 2	Welcome to the exploration of theories of ethics. The study of ethics has been under way for thousands of years. Moral philosophy was the first branch of philosophy started by the Greeks in 3rd century BC. Its come a long way since then!
--------------------------------------	-----------	---

Week 3 - 25 Jul 2022

Module/Topic	Chapter	Events and Submissions/Topic
Corporate governance and business ethics	Chapter 5	In this module you will begin to appreciate the central role of good corporate governance in creating and maintaining an ethical organisation. We will focus especially on the board of directors and how they maintain transparency, accountability and control throughout the organisation.

Week 4 - 01 Aug 2022

Module/Topic	Chapter	Events and Submissions/Topic
Corporate social responsibility	Chapter 4	In module you will begin to investigate the broad and narrow views of corporate social responsibility (CSR). CSR is a big issue in today's world of business and it is something you should have an understanding of. Do you think that a company should just focus on making money for its shareholders, or do you think it should make society its main focus? These are important and interesting questions to consider.

Week 5 - 08 Aug 2022

Module/Topic	Chapter	Events and Submissions/Topic
The ethics of consumption	Chapter 6	In module 5 you will begin to investigate the issues involved in having a consumer society. What are the responsibilities of businesses, the regulators and us, the consumers? What are the ethics of marketing campaigns that keep telling us that we need more "stuff"? You will find this an interesting and highly relevant topic.

Vacation Week - 15 Aug 2022

Module/Topic	Chapter	Events and Submissions/Topic
--------------	---------	------------------------------

Week 6 - 22 Aug 2022

Module/Topic	Chapter	Events and Submissions/Topic
Ethics and international business	Chapter 7	In module 6 you will begin to realise the ethical pressures and dilemmas inherent in doing business across countries and cultures. The multinational corporations often get a lot of criticism, but it is a very difficult business model to get right when your stakeholders are so culturally diverse. You will find the discussion on cultural relativism vs moral absolutism very interesting.

Week 7 - 29 Aug 2022

Module/Topic	Chapter	Events and Submissions/Topic
Business ethics and the environment	Chapter 8	In module 7 we consider the impact and responsibilities of business to the environment. When you consider the issues of global warming, rising sea levels, air pollution, land clearing and declining water quality, then you must realise that these are the great problems of our time. For example, should Australia continue to mine coal, or should we be more mindful of the predicament of our neighbours in the Pacific?

Week 8 - 05 Sep 2022

Module/Topic	Chapter	Events and Submissions/Topic
The ethics of the organisation	Chapter 9	You will begin by looking at the employment relationship, and the rights and responsibilities of both the employer and employee. Can you be sacked for bagging your boss on Facebook? Yep, you can. Want to know more? Individual Assessment - Report (30%) Due: Week 8 Monday (5 Sept 2022) 11:55 pm AEST

Week 9 - 12 Sep 2022

Module/Topic	Chapter	Events and Submissions/Topic
Ethics in the workplace	Chapter 10	In this module you will continue to explore current ethical issues in the workplace. What is informed consent? When is it needed? When is a gift not a bribe? What should you do if you are considering blowing the whistle?

Week 10 - 19 Sep 2022

Module/Topic	Chapter	Events and Submissions/Topic
Ethics, leadership and culture	Chapter 11	Module 10 is all about the interaction between ethics, culture and leadership. This is quite a dynamic mix and you can imagine the impact on the workplace of ethical leaders, just as you can imagine the impact of leaders with low character. Hint: try to avoid those if you can.

Week 11 - 26 Sep 2022

Module/Topic	Chapter	Events and Submissions/Topic
Ethical decision-making	Chapter 12	Module 11 provides insights into some internationally accepted models for ethical decision-making, especially the American Accounting Association (AAA) model. Ethical decision-making is also contrasted with ordinary, or common decision-making. You will find this module very useful for your professional life.

Assessment Type

Online Test

Task Description

Online Test must be within Moodle and is made up of two parts.

For **Part A**, you are required to answer four (4) short answer questions based on a topics studied during the term. Each question will be worth 5 marks, giving a total of **20 marks** for Part A.

For **Part B**, you are to use your research and knowledge gained from the study of this unit to make recommendations on how an organisation (described in a short case study or scenario) could:

1. design and implement an ethics program that would address the issues reported in the case, and/or
2. apply an ethical decision-making approach to achieve better outcomes.

Part B will be worth **20 marks** in total.

What will be provided for you

1. During **Week 10** a study guide will be posted on Moodle to help you prepare for your online test questions.
2. A practice online test will be provided for you in Week 10. There are no marks allocated for this test. It is for practice purposes only.

Submission details

The online test is in the form of an online quiz in Moodle, where all questions require long-form written answers (there are no multiple choice questions in the online test). The due date/time provided for this assignment is **absolute**. If you miss the due date/time deadline and you do not have an approved extension, you will not be able to submit. If you are unable to submit in this period through illness or because of some family emergency, you will be able to apply for an extension in the usual way. You will be given details of a deferred assessment item, with a different submission period. You will be given different questions to answer and you will be given a specific time to answer them.

A deferred assessment will be granted only in cases of emergency and the submission facility will shut at the due date/time. All students will have the same amount of time to prepare for this assignment. The questions in the deferred assessment will be different to the standard assessment.

This assessment will be an invigilated online test.

What you will require for your invigilated online test

You must have the following resources to be able to take part in your invigilated online test:

1. One only **PC, Mac or laptop/MacBook** and access to **Moodle and Zoom**
2. Your **CQUniversity student ID card** with your photo on the card
3. Access to adequate and reliable internet (10 mb/s download and 4 mb/s upload should be adequate)
4. A working webcam on your PC, Mac, or laptop/MacBook
5. A working microphone on your PC, Mac, or laptop/MacBook.

If you do not have all the above items, you will not be allowed to take part in the invigilated online test. You may be able

to apply for an extension on the assessment, using the online extension request form in Moodle, and if granted you will be invited to sit the deferred online test. However, the same conditions will apply for the deferred online test. You should also look for a quiet and distraction-free environment to give yourself the best opportunity at being successful in your invigilated online test. If you cannot find such an environment at home or at your workplace, then you can make use of CQUniversity campus locations (such as a library), or a public library. Start planning for your “quiet place” for your invigilated online test.

An invigilated online test is a **restricted open book assessment**. That means that as well as the required resources listed above, you can have your textbook on hand and any other printed materials. If you have a digital textbook, you can use your one PC, Mac, or laptop/MacBook to access it. You can also use your one PC, Mac, or laptop/MacBook to search the University library databases or to use Google.

However, because this is a **restricted open book assessment, you cannot use the following** in your invigilated online test:

1. any other person’s assistance (which also means that phone calls, messaging or email is also banned)
2. a phone, tablet, or any other digital device except for the one PC, Mac or laptop/MacBook listed as an essential resource.

Assessment Due Date

The invigilated online test will be held during the Review/Exam week. Further information will be provided on Moodle in Week 10.

Return Date to Students

This assessment item will be returned to students after final grades are certified. Students will be notified by email on their assessment release.

Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

What can you do to act with integrity?

Be Honest

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

Produce Original Work

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
