AGRI12001 *Animal Health and Welfare*

Term 1 - 2025

Profile information current as at 27/09/2024 10:11 am

All details in this unit profile for AGRI12001 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit will provide you with an holistic approach to evaluating and maintaining animal health and well-being in a variety of settings, with a particular focus on livestock industries. You will learn about the key concepts of animal welfare and their applications, as well as the cause, impact, treatment and prevention of animal diseases, including selected exotic and zoonotic diseases. You will develop practical and technical skills that can be used to address animal health and welfare challenges. You will explore some of the regulations regarding animal health and welfare and develop strategies for implementing these in a variety of settings, especially livestock supply chains. You will learn about the importance of animal health and welfare to the economic and social outputs of animal-based industries both in Australia and overseas.

Details

Career Level: *Undergraduate*

Unit Level: *Level 2*

Credit Points: 6

Student Contribution Band: 7

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

There are no requisites for this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2025

- Bundaberg
- Emerald
- Mixed Mode
- Rockhampton

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Students during class

Feedback

Residential school activities and academic presenters were well received.

Recommendation

Continue offering residential schools with the focus on hands on activities. Where possible guest presenters will be utilised to deliver engaging content.

Feedback from Students during class and UC reflection

Feedback

Guest lecturers were appreciated by students and kept students engaged.

Recommendation

Continue to bring in expert guest lecturers to keep students engaged, and reinforce careers within animal health and welfare.
