General Information

Overview

This unit will introduce you to the laws and regulations in Australia that pertain to the aviation industry necessary to hold a Commercial Pilot's license. Laws relevant to a variety of flight operations are covered. You will read and interpret regulations and aviation documents as well as understand flight rules and emergency procedures. You will also learn about the laws, rules, and procedures relevant to aerodromes, airspace and air services including emergency situations. You will also explore the concept of jurisdiction in an aviation regulatory environment domestically and internationally through practical case studies. The unit will also provide you with the skill to research and acquire the aeronautical knowledge requirements of the Civil Aviation Safety Authority Commercial Pilot Licence Air Law syllabus.

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.
