General Information

Overview

This unit will introduce you to the laws and regulations in Australia that pertain to the aviation industry necessary to hold a Commercial Pilot's license. Laws relevant to a variety of flight operations are covered. You will read and interpret regulations and aviation documents as well as understand flight rules and emergency procedures. You will also learn about the laws, rules, and procedures relevant to aerodromes, airspace and air services including emergency situations. You will also explore the concept of jurisdiction in an aviation regulatory environment domestically and internationally through practical case studies. The unit will also provide you with the skill to research and acquire the aeronautical knowledge requirements of the Civil Aviation Safety Authority Commercial Pilot Licence Air Law syllabus. Students who have completed the corresponding external CASA exam and want to be exempt from Assessment 1 (Quizzes) should contact the Unit Coordinator.
