AVAT13016 Aeronautical Flight Practice 4

Term 3 - 2025

Profile information current as at 05/12/2025 05:26 pm

All details in this unit profile for AVAT13016 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

Aeronautical Flight Practice 4 introduces you to the general handling and navigation training required for the Commercial Pilot Licence. Your flight training will be conducted by an approved external flight training provider. You will interpret navigation and meteorological data, enabling you to pilot an aeroplane under supervision on extended commercial navigation exercises. The unit will develop your critical reflection and self-analysis skills to enable you to operate as a pilot in commercial aviation. Throughout the unit, you will keep a reflective journal which will assist you in the development of self-management and self-discipline skills.
