

# AVAT28002 *Flight Practice 2*

## Term 1 - 2025

Profile information current as at 08/06/2026 03:21 pm

All details in this unit profile for AVAT28002 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

### General Information

#### Overview

In Flight Practice 2, you will receive basic navigation flight training and basic instrument flight training. The flight training will be delivered by an approved external flight training provider. This unit will require you to synthesise the theory you learned in earlier study with flight practice while engaging in up to 30 hours of cross-country navigation experience in a small general aviation aeroplane. Before departure, you will develop a flight plan for your cross-country exercise. You will practice flight navigation techniques, allowing you to fly solo on cross-country navigation exercises. Upon completing your training flights, you will analyse and reflect on your navigation to improve your skills. You will also develop communication and analytical skills to review your flight training.

#### Details

Career Level: *Postgraduate*

Unit Level: *Level 8*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

#### Pre-requisites or Co-requisites

There are no requisites for this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

#### Offerings For Term 1 - 2025

- Online

#### Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

#### Website

This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.

## Class and Assessment Overview

### Recommended Student Time Commitment

Each 6-credit Postgraduate unit at CQUniversity requires an overall time commitment of an average of 12.5 hours of study per week, making a total of 150 hours for the unit.

### Class Timetable

#### Regional Campuses

Bundaberg, Cairns, Emerald, Gladstone, Mackay, Rockhampton, Townsville

#### Metropolitan Campuses

Adelaide, Brisbane, Melbourne, Perth, Sydney

### Assessment Overview

1. Practical Assessment

Weighting: Pass/Fail

2. Reflective Practice Assignment

Weighting: Pass/Fail

### Assessment Grading

This is a pass/fail (non-graded) unit. To pass the unit, you must pass all of the individual assessment tasks shown in the table above.

## CQUniversity Policies

All University policies are available on the [CQUniversity Policy site](#).

You may wish to view these policies:

- Grades and Results Policy
- Assessment Policy and Procedure (Higher Education Coursework)
- Review of Grade Procedure
- Student Academic Integrity Policy and Procedure
- Monitoring Academic Progress (MAP) Policy and Procedure – Domestic Students
- Monitoring Academic Progress (MAP) Policy and Procedure – International Students
- Student Refund and Credit Balance Policy and Procedure
- Student Feedback – Compliments and Complaints Policy and Procedure
- Information and Communications Technology Acceptable Use Policy and Procedure

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

## Previous Student Feedback

### Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

#### Feedback from Staff feedback

Feedback

Encourage students to use the Q&A Forum.

Recommendation

Students should use the Q&A Forum as another channel to seek feedback.

## Unit Learning Outcomes

On successful completion of this unit, you will be able to:

1. Synthesise navigation theory and flight practice
2. Develop a flight plan for a cross-country exercise
3. Perform basic instrument flight navigation tracking
4. Pilot an aeroplane solo under supervision on a navigation exercise
5. Analyse and reflect critically on your navigation flight training.

## Assessment Tasks

### 1 Flight Skills Competency

Assessment Type

Practical Assessment

Task Description

Your flight training provider will assess your technical aircraft operational skills on an ongoing basis throughout the unit.

Assessment Due Date

Submission is through ongoing practical demonstration with your flight training provider.

Return Date to Students

Your flight training provider will supply this mark to CQU.

Weighting

Pass/Fail

Assessment Criteria

No Assessment Criteria

Submission

No submission method provided.

Learning Outcomes Assessed

- Synthesise navigation theory and flight practice
- Develop a flight plan for a cross-country exercise
- Perform basic instrument flight navigation tracking
- Pilot an aeroplane solo under supervision on a navigation exercise

### 2 Reflective Assignment

Assessment Type

Reflective Practice Assignment

Task Description

In this assignment, you will provide short-answer responses to questions prompts that will require you to:

- Critically reflect on your skills development, including identifying your strengths and weaknesses throughout the flight training process.
- Apply your theory knowledge of the skills you developed in this unit to critically analyze flight scenarios.

Assessment Due Date

Return Date to Students

Weighting

Pass/Fail

Assessment Criteria

You will be assessed on the quality of your reflections and the accuracy of your analysis of the given scenarios. This content is assessed as satisfactory or unsatisfactory (Pass/Fail).

Submission

No submission method provided.

Learning Outcomes Assessed

- Synthesise navigation theory and flight practice
- Develop a flight plan for a cross-country exercise
- Analyse and reflect critically on your navigation flight training.

# Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

## What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

## Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

## Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

## What can you do to act with integrity?

### **Be Honest**

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

### **Seek Help**

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

### **Produce Original Work**

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
