General Information

Overview
In Flight Practice 3, you will consolidate your solo cross-country navigation experience through the synthesis of theory and practice. You will be able to fly solo to a distant aerodrome, land and later return to your training aerodrome. Solo night flights will be conducted in the circuit area to enable you to meet the night solo requirements of the Command Instrument Rating. Your flight training will be provided by an external flight training provider. You will accumulate the minimum aeronautical experience requirements for the Private Pilot License. You will also develop analytical, communication and presentation skills to review your flight training.
