Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit Evaluation survey.

Feedback

I believe that there needs to be more explanation for each assessment task. Considering this is an online subject I felt very confused and alone when I was reading the questions.

Recommendation

The unit lecturer will provide more direction with respect to assessment task requirements. It is noted that the lecturer provided live tutorial sessions, presenting an opportunity for students to engage directly and seek direction about assessment tasks.
