Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit evaluation

Feedback

Some learning material is very old. Providing some relevant technical data/engineering information would be beneficial to the details stage assignments

Recommendation

The learning materials will be updated to include the latest technical data and information.

Feedback from Unit evaluation

Feedback

The feedback on the assignment task sheet and marking rubric was too brief and lacks sufficient information to successfully do the assignment. When I asked for further feedback I didn't receive a timely enough reply.

Recommendation

Provide more detailed feedback in a timely manner and reply to students' queries promptly.
