# BLCN14041 *Project Planning*

## Term 2 - 2024

Profile information current as at 01/05/2024 02:42 pm

All details in this unit profile for BLCN14041 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

## General Information

### Overview

This unit leads you to learn major areas of planning of a construction project including construction planning and scheduling; the role of the construction planning consultant; developing an initial job using labour, materials, plant and time units from design documentation; estimates and/or Bills of Quantities; using construction planning methodologies and tools such as bar charts, critical path methods, line of balance, cash flow projections; least cost optimization; flagging approval and detailed schedules of sub-contract activities. The choice of software for scheduling and network analysis will be examined as a further added learning experience.

### Details

Career Level: *Undergraduate*

Unit Level: *Level 4*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

### Pre-requisites or Co-requisites

Pre-requisites: BLAR11049: Built Environment Communications and Skills or COMM11003: Professional and Technical Communication or ENEG11005: Fundamentals of Professional Engineering

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

### Offerings For Term 2 - 2024

- Online

### Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

### Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

## Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.

This information will be available on Monday 13 May 2024

- Student Feedback – Compliments and Complaints Policy and Procedure
- Information and Communications Technology Acceptable Use Policy and Procedure

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

## Previous Student Feedback

### Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

#### Feedback from Student feedback

**Feedback**

The recommended textbook was not the most recent edition.

**Recommendation**

The recently updated edition was made available mid-term through the CQU library and will be included for 2023 in the e-reading list.

#### Feedback from Studnet Feedback

**Feedback**

Overall the unit was great and the quiz was very hard but I learned a lot from it.

**Recommendation**

Additional practice for the quiz will be provided during the recorded tutorials.

#### Feedback from Lecturer

**Feedback**

Student engagement fluctuated throughout the term.

**Recommendation**

Engagement will be encouraged by incorporating essential knowledge and resources in the recorded tutorials.

#### Feedback from Lecturer

**Feedback**

Low student engagement

**Recommendation**

Engagement will be encouraged by offering a review of assignments before final submission, creating a direct student-lecturer relationship.

## Unit Learning Outcomes
