Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit evaluation

Feedback

The assignments were invaluable in understanding the AFEG and the application of fire safety engineering.

Recommendation

The unit will continue to use practical cases for assignments.

Feedback from Unit evaluation

Feedback

The contents could be updated with more recent knowledge/research.

Recommendation

Update the unit's contents with more recent knowledge. A Unit Update Proposal will be undertaken following the Post Five Year Course Review.
