General Information

Overview

As a health care professional, you may encounter clients whose mental health challenges impact upon their daily lives. In this unit you will develop knowledge that will assist in your recognition of mental health disorders as a health care professional, and learn about the appropriate referral networks and therapeutic options that are available to deal with these issues. Your ability to communicate effectively with clients, with consideration and awareness of their different cultural backgrounds and beliefs, will be developed as part of this unit.

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.
