BMSC12005 *Work Integrated Learning*

Term 3 - 2022

Profile information current as at 28/11/2021 07:05 pm

All details in this unit profile for BMSC12005 have been officially approved by CQU University and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

On successful completion of this unit, you will be able to apply theoretical knowledge attained in preceding and concurrent units to the professional work environment for your discipline. This authentic practical experience will allow you to interact with industry practitioners and experience the work role to further develop your technical skills and professional communication.

Offerings For Term 3 - 2022

- Mixed Mode

Attendance Requirements

All on-campus students are expected to attend scheduled classes - in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Self reflection and peer review

Feedback

The tasks in the Work Book could be converted to an online activity to enhance the submission, marking and return process.

Recommendation

Consideration to be given on how to convert this task to an online activity in Moodle.

Feedback from Student feedback

Feedback

Students appreciated the flexibility of the timing of clinical placements which allowed them to plan their workload.

Recommendation

Continue to allow flexibility where possible

Feedback from Clinical Placement Supervisor feedback

Feedback

The provision of a Supervisors Guide for the clinical placement supervisors was appreciated.

Recommendation

Continue to make the guide available with reviews and updates as necessary.
