Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Informal Feedback

Feedback

The written assessment was very challenging and required too much critical analysis.

Recommendation

The written assessment will be reviewed to ensure that the level of difficulty and data analysis is appropriate to the student's AQF level of 6.

Feedback from Informal Feedback

Feedback

The residential school was extremely useful as it allowed students to apply the knowledge and processes that were covered in the lecture and tutorial materials

Recommendation

Maintain the residential school in its current form, with minor refinements.
