Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Self reflection and feedback from industry

Feedback

The SONIA system sometimes omits comments from evaluation forms. The SONIA system is also limited in allowing multiple supervisors to cover staff leave.

Recommendation

Be vigilant in assessing the evaluation forms and flag all anomalies with WIL team. Liaise with WIL team and TASAC to allow for multiple supervisors (to cover supervisor sickness or leave).

Feedback from Informal student feedback

Feedback

Students are happy with the flexibility of placements, and are able to choose their own providers.

Recommendation

Maintain same placement format.
