## Assessment Tasks

### 1 Abstract & Introduction

#### Assessment Type

Written Assessment

#### Task Description

You are to write a 500 word draft Abstract & Introduction for your creative practice project and exegetical research. The outcome of this assessment task will be revised after the completion of your project later in the term and then incorporated into Assessment Three: the Exegesis. You should think of this first assessment as a draft of the beginning of the Exegesis. In writing this draft Abstract & Introduction, consider including some or all of the following ideas:

- Working titles for the creative practice project and the exegesis.
- A brief description of the intended project
- A brief explanation of how the project relates to your research focus
- Identify some keywords relevant to the research project
- Proposed research methodologies that might suit your project and research approach

The draft Abstract & Introduction should have a cover sheet with your student name, student number, course code and title, assessment title, and date of submission. It should be written in size 12 font with 1.5 line spacing and justified paragraph alignment, where paragraphs are used. Dot points may also be used if relevant and appropriate. All citations and referencing should follow APA formatting guidelines. The word count is considered from the first word of the introduction to the last word of the conclusion. It excludes the cover page. It includes in-text references and direct quotations. The Plan should fall within 10% +/- of the word count.

- A short summary of outcomes as a conclusion of the creative practice research project, the impact of these on your research experience, and suggestions of how the research practice might be improved in future creative practice research projects
- An Annotated Bibliography.
- An additional reference list (if required) for any additional research items cited or quoted in the exegesis other than those included in the Annotated Bibliography.

The exegesis should have a cover sheet with your student name, student number, course code and title, assessment title, and date of submission. The exegesis should be written in size 12 font with 1.5 line spacing and justified paragraph alignment. Dot points may not be used. ## Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

### What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

### Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

### Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

### What can you do to act with integrity?

**Be Honest**

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

**Seek Help**

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

**Produce Original Work**

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
