

# **CART13004 Music Creation 4**

## **Term 2 - 2020**

Profile information current as at 14/05/2024 12:48 am

All details in this unit profile for CART13004 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

### General Information

#### Overview

In the final of the music creation units, you will continue to build upon your repertoire of original works and learn about mastering. You will focus on skills and techniques for creating written arrangements for various ensembles in popular music. You will also explore compositional techniques that will support these arrangements. In music production, you will focus on the art of mastering and will explore the technical and aesthetic aspects of the final stage of the production process.

#### Pre-requisites or Co-requisites

There are no requisites for this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

#### Offerings For Term 2 - 2020

- Cairns

#### Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

#### Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

## Class and Assessment Overview

### Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

## Assessment Tasks

### 1 Comparative Composition Exercise

#### Assessment Type

Portfolio

#### Task Description

In this assessment, you are required to create 3 original 16 bar compositions in contrasting styles within the popular music genre. The compositions will contain both music and lyrical elements developed over the term. The compositions will be accompanied by a written analysis describing the musical constructs of each piece.

#### You must submit:

- Three 16 bar lead sheets created on a music notation program (e.g. Sibelius) or by hand and scanned. This should be in pdf format.
- Lead sheet should include chords, melody, time signature, lyrics, key signature, tempo and feel indication, section markings and dynamics
- 750- word analysis covering the 3 pieces

#### Assessment Due Date

Week 6 Friday (28 Aug 2020) 11:55 pm AEST

#### Return Date to Students

Week 8 Friday (11 Sept 2020)

#### Weighting

## 2 Mastering Portfolio

**Assessment Type**

Portfolio

**Task Description**

The mastering stage is the final stage in the production process and requires both technical and creative skills. In this assessment, you will be required to submit a mastering portfolio of 2 songs. One song will be an acoustic or electronic production that you have recorded in a previous unit and the other song will be provided to you by your lecturer.

The songs will be mastered using Pro Tools software and other third party plugins. You will be required to use the tools available in the DAW to produce a balanced, competitive master that is comparable to other songs in its genre. Processing will include but is not limited to:

- EQ
- Compression
- Limiting
- Reverb

Your master should be ready to for either CD, vinyl or digital distribution and observe the peak and RMS levels for that medium. These will be supplied to you by your lecturer.

You will submit:

- A stereo bounce of your two songs in audio red book format (16 bit, 44.1kHz).

**Assessment Due Date**

### 3 Original Long Form Composition

#### Assessment Type

Portfolio

#### Task Description

In this assessment, you are required to create an original composition in a chosen genre. The composition will be a minimum of 64 bars in length, multi-sectioned and contain both music and lyrical elements developed over the term. The composition will be recorded in the studio and accompanied by a lead sheet. You will also submit a 500-800 word discussion on the arrangement of the composition.

The composition

The composition should be at least 64 bars in length and should include:

- A lead sheet created on a music notation program (e.g. Sibelius) or by hand and scanned. This should be in pdf format.
- Lead sheet should include chords, melody, time signature, key signature, tempo and feel indication, section markings, dynamics and lyrics (if applicable).

#### The recording

You are to submit an audio recording of an original composition. All sounds will be recorded, edited and mixed and demonstrate genre specific production techniques. You may work in small groups to record all instrumental parts of the song but must edit and mix the song individually. You may also use software instruments and samples to create instrumental parts as required.

Recordings will be topped and tailed and free from extraneous noise. Your final bounce will be a stereo mix of your signals with an RMS level of no more than -14dBFS.

Portfolio submission components

- A lead sheet as a PDF
- A 500 - 800 word discussion of your arrangement as a Microsoft Word Document (.docx)
- A recording of the song in .wav format (Stereo, 44.1kHz 16 bit)

#### Assessment Due Date

Week 12 Friday (9 Oct 2020) 11:55 pm AEST

#### Return Date to Students

Exam Week Friday (23 Oct 2020)

#### Weighting

40%

#### Assessment Criteria

- Demonstrated use of melodic construction techniques (20%)
- Effective use of harmony (20%)
- Clear lead sheet, including chords, melody and rhythm section notation (20%)
- Effective use of section development (10%)
- Discussion is considered, reflective, and complete (15%)
- The recording is free from extraneous noise and distortion and demonstrates genre-specific production techniques (15%)

## Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

### What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

### Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

### Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

### What can you do to act with integrity?

**Be Honest**

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

**Seek Help**

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

**Produce Original Work**

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
