

CHIR13008 Professional Chiropractic Practice 1

Term 1 - 2021

Profile information current as at 25/04/2024 08:29 am

All details in this unit profile for CHIR13008 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit will introduce you to the assessment and management procedures commonly used in chiropractic practice. You will develop orthopedic and neurological examination skills and explore management procedures including chiropractic techniques.

Details

Career Level: *Undergraduate*

Unit Level: *Level 3*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

Pre-requisites: CHIR12006 Foundations of Chiropractic Practice 4 Co-requisite CHIR12007 Clinical Assessment and Diagnosis 1

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2021

- Brisbane
- Mackay
- Sydney

Attendance Requirements

All on-campus students are expected to attend scheduled classes - in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Class and Assessment Overview

Recommended Student Time Commitment

Each 6-credit Undergraduate unit at CQUniversity requires an overall time commitment of an average of 12.5 hours of study per week, making a total of 150 hours for the unit.

Class Timetable

[Regional Campuses](#)

Bundaberg, Cairns, Emerald, Gladstone, Mackay, Rockhampton, Townsville

[Metropolitan Campuses](#)

Adelaide, Brisbane, Melbourne, Perth, Sydney

Assessment Overview

1. **Portfolio**

Weighting: 20%

2. **Objective Structured Clinical Examinations (OSCEs)**

Weighting: Pass/Fail

3. **In-class Test(s)**

Weighting: 50%

4. **On-campus Activity**

Weighting: 30%

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

CQUniversity Policies

All University policies are available on the [CQUniversity Policy site](#).

You may wish to view these policies:

- Grades and Results Policy
- Assessment Policy and Procedure (Higher Education Coursework)
- Review of Grade Procedure
- Student Academic Integrity Policy and Procedure
- Monitoring Academic Progress (MAP) Policy and Procedure – Domestic Students
- Monitoring Academic Progress (MAP) Policy and Procedure – International Students
- Student Refund and Credit Balance Policy and Procedure
- Student Feedback – Compliments and Complaints Policy and Procedure
- Information and Communications Technology Acceptable Use Policy and Procedure

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from 'Have your Say' survey

Feedback

Students found the Moodle site layout was easy to navigate and was up to date every week with content delivered in a timely manner to ensure access before zoom tutorials.

Recommendation

It is recommended that the unit coordinator continue to focus on developing an easy to navigate Moodle site with content delivered in a timely manner to ensure access prior to tutorials to enhance the student learning experience.

Feedback from 'Have your Say' survey

Feedback

Students reported the interactive Zoom tutorials were engaging and assisted in their learning.

Recommendation

It is recommended that the unit coordinator continue to focus on ways of developing engaging content to enhance the student learning experience.

Feedback from 'Have your Say' survey

Feedback

Students reported the unit coordinator was approachable and receptive to student feedback and requests.

Recommendation

It is recommended that the unit coordinator continue to strive to improve student learning experiences, focusing on improved communication with students to address their needs.

Unit Learning Outcomes

On successful completion of this unit, you will be able to:

1. Demonstrate clinical assessment skills including neurological and orthopedic procedures commonly used in chiropractic practice
2. Demonstrate management procedures including chiropractic techniques commonly used in chiropractic practice
3. Apply clinical reasoning skills to the selection and application of assessment and management procedures relevant to commonly encountered conditions seen in chiropractic practice
4. Communicate and demonstrate behaviours to the standard expected of a registered healthcare professional.

Learning outcome 1 - Competency 1 (1.1, 1.2 and 1.3), 2 (2.1), 3 (3.1, 3.2 and 3.4)

Learning outcome 2 - Competency 1 (1.1, 1.2 and 1.3), 2 (2.1 and 2.3), 4 (4.1 and 4.2), 5 (5.1 and 5.2)

Learning outcome 3 - Competency 1 (1.1, 1.2, 1.3 and 1.4), 2 (2.2), 3 (3.3, 3.4 and 3.5), 4 (4.1 and 4.2)

Learning outcome 4 - Competency 2 (2.1), 3 (3.1, 3.2 and 3.4)

Assessment Tasks

1 Portfolio

Assessment Type

Portfolio

Task Description

Portfolio Questions

Each week there is a requirement for you to complete a series of portfolio questions. You will be required to upload the answers to Moodle. This task will assist you to keep up with your studies across the term.

Assessment Due Date

Week 10 Friday (21 May 2021) 11:45 pm AEST

Submit weekly in Moodle. All submissions need to be uploaded by the Sunday at 6 PM the week after the material is presented. In Week 10 the final submission needs to be uploaded by Friday at 11:45 PM.

Return Date to Students

Week 12 Friday (4 June 2021)

Via Moodle

Weighting

20%

Minimum mark or grade

50%

Assessment Criteria

The criteria for grading will include being on time in submitting to Moodle by 6 PM on the Sunday after the material has been presented, completeness and details of your answers, and accuracy of your answers. The final week's submission will be by Friday night at 11:45 PM. A total score out of ten points for each weekly submission will be given. The breakdown is 3 points for submission on time, 3 points for completeness and details of your answers and 4 points for accuracy of your answers. 50% overall is the minimum grade to pass.

Referencing Style

- [American Psychological Association 7th Edition \(APA 7th edition\)](#)

Submission

Online

Submission Instructions

Submit in Moodle via Turnitin by Sunday 6 PM after the material has been presented. In Week 10 the final submission needs to be uploaded by Friday at 11:45 PM.

Learning Outcomes Assessed

- Communicate and demonstrate behaviours to the standard expected of a registered healthcare professional.

Graduate Attributes

- Communication
- Information Literacy
- Information Technology Competence
- Cross Cultural Competence
- Ethical practice

2 OSCE

Assessment Type

Objective Structured Clinical Examinations (OSCEs)

Task Description

OSCE

The practical assessment will take place in week 12 involve components from work presented in the tutorials. The assessment is graded as a Pass/ Fail. You must obtain a pass grade in each component of each practical examination with a grade greater than 70% required to pass this OSCE. There will be OSCE practice cards released during term and the In-Class Tests will help prepare students with formative feedback on their examination and psychomotor skills. A formative OSCE will be held in week 6 for practice.

Assessment Due Date

Week 12 Friday (4 June 2021) 8:00 pm AEST

OSCE performed on campus in Week 12.

Return Date to Students

Exam Week Friday (18 June 2021)

Grades released via grade book.

Weighting

Pass/Fail

Minimum mark or grade

OSCE 70%

Assessment Criteria

OSCE

The assessment is graded as a Pass/ Fail. You must obtain a pass grade for each of the listed components of the OSCE. 70% overall is the minimum grade to pass. If this is not achieved, a re-sit assessment in the component/s not passed at the first sitting will be offered in the review week. Failure to obtain a pass grade at the re-sit session will result in the student being awarded a Fail grade for the unit.

Referencing Style

- [American Psychological Association 7th Edition \(APA 7th edition\)](#)

Submission

Offline

Submission Instructions

Tutors will submit OSCE results

Learning Outcomes Assessed

- Demonstrate clinical assessment skills including neurological and orthopedic procedures commonly used in chiropractic practice
- Demonstrate management procedures including chiropractic techniques commonly used in chiropractic practice
- Communicate and demonstrate behaviours to the standard expected of a registered healthcare professional.

Graduate Attributes

- Problem Solving
- Cross Cultural Competence
- Ethical practice

3 End of term test

Assessment Type

In-class Test(s)

Task Description

The End of Term test will take place in a computer lab under supervision of a chiropractic staff member. The test will be delivered via Moodle and will involve a range of question types including matching, short answer, essay and multiple choice questions.

These questions will assess the content delivered between weeks 1-12.

Assessment Due Date

Review/Exam Week Friday (11 June 2021) 1:30 pm AEST

End of term test will start at 11:30 and finish at 1:30 in Week 13

Return Date to Students

Exam Week Friday (18 June 2021)

Via Moodle

Weighting

50%

Minimum mark or grade

50%

Assessment Criteria

The End of Term Test will be based on a score out of 100 points. You will need 50% to pass this test.

Referencing Style

Submission

Online

Submission Instructions

Via Moodle

Learning Outcomes Assessed

- Apply clinical reasoning skills to the selection and application of assessment and management procedures relevant to commonly encountered conditions seen in chiropractic practice

Graduate Attributes

- Communication
- Problem Solving
- Critical Thinking
- Information Literacy

4 On Campus Activity

Assessment Type

On-campus Activity

Task Description

There will be on-campus practical assessments designed to develop student's adjusting skills, orthopedic and neurological examination skills, using the GORPOMNICS patient assessment and management protocols. The on-campus activities will occur each tutorial from week 1- 10. The purpose of these on-campus activities is to provide ongoing feedback to students regarding their performance as it concerns the acquisition of their practical skills in a contextual nature helping to develop assessment and management procedures including adjustment/manipulation techniques. These on-campus activities must be completed during each tutorial. They can not be made up at any other time unless a prearranged extension has been granted.

Assessment Due Date

Week 10 Friday (21 May 2021) 11:45 pm AEST

Occur during the weekly classes. Please see Moodle for list of weekly activities

Return Date to Students

Week 11 Friday (28 May 2021)

Via Moodle

Weighting

30%

Minimum mark or grade

50

Assessment Criteria

A total overall 50% grade is required to pass the on-campus activities. You will be graded by your tutors in performing adjustment set-ups and components of GORP OMNICS. The OMNICS focus will be on practical orthopedic and neurological testing. Grading will be based on understanding of the procedure and the ability to perform the procedure accurately. Evidence of you completing the on-campus activity needs to be uploaded to Moodle for the first five weeks (Weeks 1-5) of the On-campus activity evidence by Sunday at 6 PM (11/4/2021). Evidence of you completing the on-campus activity needs to be uploaded to Moodle for the second five weeks (Weeks 6-10) by Friday 21/5/2021 at 11:45 PM.

Referencing Style

- [American Psychological Association 7th Edition \(APA 7th edition\)](#)

Submission

Online

Submission Instructions

Tutors will grade students and give the student the grading sheet. Evidence of you completing the on-campus activity must be uploaded to Moodle for the first five weeks (Weeks 1-5) by Sunday (11/4/2021) at 6 PM and for the second five weeks (Weeks 6-10) by Friday 21/5/2021 at 11:45 PM.

Learning Outcomes Assessed

- Demonstrate clinical assessment skills including neurological and orthopedic procedures commonly used in chiropractic practice
- Demonstrate management procedures including chiropractic techniques commonly used in chiropractic practice
- Apply clinical reasoning skills to the selection and application of assessment and management procedures relevant to commonly encountered conditions seen in chiropractic practice

Graduate Attributes

- Communication

Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

What can you do to act with integrity?

Be Honest

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

Produce Original Work

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
