CHIR20001 Advanced Clinical Neurology and Diagnosis

Term 1 - 2025

Profile information current as at 23/11/2024 07:56 pm

All details in this unit profile for CHIR20001 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

Advanced Clinical Neurology and Diagnosis builds upon your knowledge and understanding of the human body which you achieved through your undergraduate studies. In this unit you will focus upon the clinical presentation of neurological conditions which may be encountered in chiropractic practice. You will develop an understanding of the pathophysiological processes underlying neurological symptoms and signs at clinical presentation, and extend your skills in the interpretation of these changes through client history and physical examination.

Details

Career Level: *Postgraduate*

Unit Level: *Level 9*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

There are no requisites for this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2025

- Brisbane

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE

Feedback

Most students indicated that there was a large amount of content especially while students were on placements.

Recommendation

It is recommended that the unit coordinator be mindful of placement and manage the amount of content accordingly.

Feedback from SUTE

Feedback

Assessment requirements were not clearly understood by all students.

Recommendation

It is recommended that the unit coordinator set clear expectations for assessment requirements and question styles at the beginning of the term.

Feedback from SUTE

Feedback

Some students reported the unit achieved their expectation of learning neurology while indicating satisfaction with the overall flexibility and accommodation of students' needs.

Recommendation

It is recommended that the unit coordinator continue to strive to facilitate neurology content at a high level, which is expected at a post-graduate level while being mindful about the students needs.
