General Information

Overview

Clinical Practice 3 is the third block of practical experience which is undertaken in the CQUniversity Health Clinic. You will perform as a functional team member under guidance of clinic supervisors and senior interns. You will build on theoretical knowledge and practical skills learnt in the previous two clinical units of the course and will be expected to demonstrate this increased knowledge and skill by contributing to patient assessment and treatment. You will actively contribute to clinical decision making and be able to undertake clinical tasks under supervision. In order to pass this unit you must demonstrate a mastery level of knowledge and understanding of chiropractic procedures, processes and documentation and demonstrate compliance with Chiropractic Professional Competency Standards.
