Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Students, Unit Coordinator Observation and Teaching Staff

Feedback

Online students often face difficulties attending all sessions, often due to work commitments, which inhibits students from actioning in-class assessment tasks.

Recommendation

Upon an official request from students, provide flexibility by allowing them to follow unit contents through recorded online Zoom sessions and other resources uploaded to Moodle. The presentation tasks can be recorded and submitted for grading without attending the sessions.
