COIT12208 ICT Project Management

Term 2 - 2025

Profile information current as at 27/09/2024 10:14 am

All details in this unit profile for COIT12208 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

In this unit, you will learn key concepts of Information and Communication Technology Project Management from both a traditional waterfall and Agile perspective. You will apply project management principles and use project management software with the aim of delivering successful projects. Industry standards, quality assurance, professional ethics, social, cultural, and legal issues relevant to the theories and principles of project management will also be covered.

Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 2 - 2025

- Brisbane
- Cairns
- Melbourne
- Online
- Rockhampton
- Sydney

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.

This information will be available on Monday 19 May 2025

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student Unit and Teaching Evaluations Comments Report - T1, 2024 and in-class feedback

Feedback

The case study in Assessment 3 does not currently include ICT components, which are necessary for a complete assessment.

Recommendation

Revise the case study in Assessment 3 to incorporate ICT components.

Feedback from Student Unit and Teaching Evaluations Comments Report - T1, 2024 and in-class feedback

Feedback

A tutorial on how to use Taiga before the Assessment 1 submission due date would definitely be helpful.

Recommendation

Include activities in tutorials to use Taiga.

Feedback from Teaching team feedback

Feedback

Students are not getting enough experience working in a team environment.

Recommendation

Change Assessment 3 from an individual task to a group assessment to encourage collaboration and enhance student's teamwork skills.
