General Information

Overview

Undertaking an internship or work-integrated learning (WIL) provides you with experiences to advance your work readiness and opportunities to demonstrate your skills in your chosen discipline while working in an authentic environment. During the internship, you will put into practice the knowledge and skills you have gained while studying your discipline units. You will reflect on your developing practical skills and your learning experiences in the context of WIL, while also putting into practice your soft skills including teamwork and communication. You will spend ten weeks with your internship host during your last term and the remaining three weeks on campus.

- Mixed Mode

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Feedback Survey

Feedback

The Moodle site was difficult to navigate.

Recommendation

A map pointing to the resource locations will be added to Moodle.

Feedback from Unit Coordinator Reflection

Feedback

A professional video demonstrating how to work on ePortfolio would be helpful for the students to properly complete assessment 3.

Recommendation

Work with an Educational Developer from the Learning Design and Innovation Directorate to prepare the video demonstration of ePortfolio.
