Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Assessment Overview

Assessment Grading
This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the University's Grades and Results Policy for more details of interim results and final grades.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Staff

Feedback
New version of Office 365 released, causing study materials to become outdated.

Recommendation
Revise edition of CSU Textbook to include screenshots and processes showing the most recent version of Office 365 for both PC and MAC. Revise and update video lesson of affected lessons.

Feedback from Staff

Feedback
Desire to improve feedback to students on weekly Consolidation Activities.

Recommendation
Introduce video feedback to students on weekly Consolidation Activities, as a trial, and review student feedback.

Feedback from Students

Feedback
Positive feedback about the Fast Track mode of study offering.

Recommendation
Continue the Fast Track mode of study maintaining fast turnaround of marking and feedback.

Feedback from Students

Feedback
Positive comments on consolidation activities.

Recommendation
Continue to promote the value of completing consolidation activities as a learning tool and encourage students to use them as valuable formative learning.

Feedback from Staff

Feedback
Some lesson material has become irrelevant.

Recommendation
Revise study material and lesson videos to exclude some PowerPoint sections (such as timed presentations etc) in lieu of teaching recording of speeches, and more image and video inclusion details.
