CRIM13003 *Criminology Research Capstone*
Term 2 - 2024

Profile information current as at 30/04/2024 03:29 am

General Information

Overview

This research capstone unit enables you to apply the theories, content knowledge and skills you have learned to researching a problem of concern to a regulatory agency, criminal justice agency, government or other organisation involved in the prevention or regulation of criminal activity. You will develop a practical research project that will be conducted during a single term and be responsible for each of the methodological stages including developing a research question, understanding the ethical context, planning, project management, conduct of research, delivery and dissemination. You will keep a portfolio of key documents and reflect on skills and capabilities necessary for professional research practice in the field of criminology.
