## Previous Student Feedback

### Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

#### Feedback from Student feedback

##### **Feedback**

There is A LOT of reading in this unit. I think it would be better if the study guide was also recorded as a weekly lecture.

##### **Recommendation**

Record video lectures to accompany weekly PowerPoint presentations that are provided in the unit to deliver study content to cater to different learning styles, and reduce reading burden.

#### Feedback from Self-evaluation

##### **Feedback**

Students reported the extensive reading list (including 9 novels) was difficult to manage over the term. MAV data indicates that the full reading load was not achieved by any of the students in the term. Many students only engaged with the weekly unit chosen for their assessment item.

##### **Recommendation**

Recommend providing novel excerpts/readings relevant to the weekly topics from all 9 novels to encourage engagement with the material for each week, then offering the choice to read 3 of the novels in full for the 3 assessment tasks.

#### Feedback from Student feedback

##### **Feedback**

The coordinator answered questions and queries promptly, and all assessments and marks were returned in a fast manner. The feedback and comments given on the assessments were relevant and helpful in terms of completing other assessments throughout the term.

##### **Recommendation**

Continue to provide timely formative feedback to students.

#### Feedback from Student Evaluation

##### **Feedback**

I enjoyed the flexibility in the assessment choices. I think it really helps you to develop your interests and engage in some deeper study in certain areas. Overall an enjoyable course.

##### **Recommendation**

Continue to offer flexibility in choices for assessment topics.

## Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

### What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

### Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

### Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

### What can you do to act with integrity?

#### Be Honest

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

#### Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

#### Produce Original Work

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
