Assessment Overview

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE Unit Comments Report

Feedback

YouTube's shift in delivery patterns this year, marked by an increase in disruptive advertisements during animation tutorials, has led to frustration among students.

Recommendation

Other video delivery options e.g. Echo360 will be reviewed.

Unit Learning Outcomes

On successful completion of this unit, you will be able to:

1. knowledge and understanding about the history and context of contemporary animation, particularly in online environments
2. familiarity and competency with traditional animation techniques and principles using industry-standard software
3. analytical and problem-solving abilities which can be applied to practical solutions for specific industry requirements and issues.
