Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Discussion with students and with DSD

Feedback

Course material made some mention of Adobe Lightroom CC, but this software was not available in class due to licensing issues.

Recommendation

Explain to students that Adobe Lightroom CC is not available in on-campus labs and will not be covered in the unit. Since all relevant Adobe Lightroom CC functionality can be found within Photoshop, this has no implications for learning.
