General Information

Overview

In this unit, you will learn the history and theory of documentary, and about current trends in industry practice. Through a series of individual exercises, you will gain skills in project development, sound and vision capture, and documentary editing using industry-standard software. You will apply these skills in the production of your own short documentary. You will be encouraged to find your authentic voice and visual style, and will be introduced to the ethical and legal considerations for documentary practice.
