Profile information current as at 17/09/2026 11:21 pm

All details in this unit profile for DSMG29002 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

Drawing on your own experience, you will explore the concept of leadership, particularly how leadership styles impact an emergency and disaster management environment. You will differentiate between leadership and management in the strategic and crisis contexts unique to emergency and disaster management. Using examples specific to your experience, you will consider the challenges faced by leaders in this sector. In addition, you will consider the important role effective leadership plays in developing and maintaining relationships within the community, and across the constellation of disciplines which play a role in emergency and disaster management.
