The focus of this unit is on the rationale, organisation and content of the Australian Curriculum: English. You will build professional knowledge and understanding of pedagogical approaches to teaching English in primary school settings through a focus on the relationship between receptive and expressive modes of language use and the interrelatedness of the Language, Literature and Literacy strands of the Australian curriculum. You will demonstrate understanding of the features of texts and the social contexts in which they are used and apply pedagogical content knowledge to select teaching resources and design lesson sequences and assessment strategies that support learners' interpretation, evaluation and creation of written and multimodal texts for a range of social purposes.
