General Information

Overview

In this unit, you will explore how Aboriginal and Torres Strait Islander cultures and ways of learning connect and interact with those experienced in university settings. You will begin by analysing the concepts of culture and identity, then examine Aboriginal and Torres Strait Islander cultures, identities, and approaches to learning alongside university culture and learning practices. Building on this understanding, you will evaluate strategies for integrating these different ways of learning to create respectful and inclusive educational experiences. Throughout the unit, you will also consider how university values can guide respectful engagement and help address racism in higher education.
