The Internship is a guided partnership between and Intern and a Mentor Teacher. The Internship provides a period of sustained professional practice during which Interns can consolidate the link between theory and practice. Interns will build upon their existing skills, enabling them to become autonomous, reflective, collaborative and profession ready to enter the teaching profession. Throughout the placement the Intern assumes the following:

- 50% teaching load in their allocated class/es which will be determined in negotiation with the Mentor Teacher/s.
- 50% co-planning, team teaching, assisting, observing and other professional experiences

**Working Portfolio**

Interns are required to keep and maintain a Working Portfolio for the duration of the Internship.

**Self-Reflective Statement**

Interns will write a self-reflective statement (maximum 1000 words) that makes connections between the theory, practice and process of being a teacher and the Australian Professional Standards for Teachers at Graduate Career Stage. It is expected that explicit links will be made to the Australian Professional Standards for Teachers throughout the self-reflective statement.

The Intern is expected to hand their self-reflective statement to their Mentor Teacher in Week 3 (of 5). A professional dialogue regarding the self-reflective statement is to occur between the Intern and the Mentor Teacher, who then verifies the statement using the verification form in the Internship Guidelines booklet in Week 4 (of 5). An electronic copy of the Verification form will be provided to the Mentor Teacher.

**Internship Statement of Completion**

At the end of the Internship, the Mentor Teacher will complete the Internship Statement. An electronic copy of the

Internship Statement of Completion will be provided to the Mentor Teacher.

Interns are responsible for ensuring that the Self-Reflective Statement, the Verification Form and the Internship Statement of Completion are signed by the Mentor Teacher and are uploaded into the Professional Practice 5 Task 1 link in Moodle.

## Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

### What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

### Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

### Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

### What can you do to act with integrity?

#### Be Honest

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

#### Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

#### Produce Original Work

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
