

EDSE14001 Fashion Design

Term 1 - 2020

Profile information current as at 29/04/2024 07:16 pm

All details in this unit profile for EDSE14001 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This unit extends the skills and knowledge covered in EDVT11022 Textile Technology. You will explore fashion literacy and terminology in a variety of contexts. Through analysis and application of the principles and elements of design you will discern appropriate materials and fibres to create a personalised designed fashion product. In this unit you will develop the technical, procedural and safety skills and theoretical knowledge to unleash your fashion creativity. This unit equips you with the knowledge to engage in secondary schools, and aligns with Home Economics, and Australian curriculum including the Design (General Syllabus) and Fashion (Applied Senior Syllabus).

Details

Pre-requisites or Co-requisites

Students must complete EDVT11022 prior to enrolment in this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2020

- Mixed Mode

Attendance Requirements

All on-campus students are expected to attend scheduled classes - in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Residential Schools

This unit has a Compulsory Residential School for distance mode students and the details are:

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

Assessment Tasks

1 Fashion Design Skills and Knowledge Portfolio

Assessment Type

Portfolio

Task Description

Purpose of Portfolio

To work with confidence in Fashion Design contexts you are required to know, understand and apply the fundamental principles, skills and knowledge that underpin the discipline. This Portfolio is a valuable opportunity for you to create and collect useful resources to use in various textiles, fashion and educational environments. Despite the ever-changing nature of the Fashion industry, you will be able to refer to this Portfolio for many years to come, as the fundamentals of fashion design remain relevant and useful.

What is required?

Create and collate activities into an A3 hard-copy portfolio. This portfolio will demonstrate your understanding and application of Fashion Design content knowledge and foundational principles presented in this unit. Illustrations, activities and folio pages need to include annotations that justify the decisions made. Your completed portfolio will need to demonstrate:

- Organisation of resources when completing each activity
- Effective and efficient management of all available resources; and
- Performing techniques to a satisfactory standard of workmanship.

A complete list of activities to include in your Portfolio is provided in Moodle. Example portfolio pages are also provided for each activity and explained in the weekly study guides and via Zoom tutorials.

Required Materials

A3 Art Folio with Removable Pages (Display Folder or Alternative)

Submitting your Portfolio

- If you have ICT skills, in addition to your hard-copy A3 Folio, you may choose to construct an online e-portfolio which includes photographs of your A3 folio original work with commentary for each activity. Web-based platform (of your choice, not visible to the public) must be easy to navigate and each activity clearly identified and presented. To submit an e-portfolio you need to upload a *Word* document via Moodle with an active hyperlink to your e-portfolio and provide password (if required); OR
- The alternative is to upload a *.pdf* with each A3 folio page activity clearly photographed and identified. Important - compress all photographs appropriately but ensure that each photograph is clear for the marker to see. Upload the whole and complete *portfolio* to Moodle. Do not submit activities individually to Moodle - it must be only one or two document/s; AND
- A hard copy of your Portfolio delivered to your tutor at Residential School for feedback and reference.

Assessment Due Date

Week 12 Monday (1 June 2020) 11:45 pm AEST

Return Date to Students

Students will receive feedback on their portfolio via Moodle and from the tutor at Residential School.

Weighting

50%

Assessment Criteria

- Explore fashion literacy and terminology within a variety of historical, economics, political, social, cultural and environmental contexts
- Analyse and apply the elements and principles of fashion design
- Discern appropriate materials and fibre selection for designed solutions
- Create a designed fashion product demonstrating technical, procedural and safety skills.

- Information Literacy
- Cross Cultural Competence

2 Practical Application of Skills and Residential School

Assessment Type

Project (applied)

Task Description

Process

Before you commence addressing the design brief, you will need to research and applying the principles presented in each week's Moodle content to yourself by carrying out a self-investigation. This will enable you to address the design brief effectively.

Your Design Brief

You will design a four (4) piece "ultimate personal collection" and then construct one (1) casual fashion daywear outfit for yourself from one of your coordinated wardrobe designs.

The design solution will:

- be one (1) outfit (eg top and shorts, dress, jacket(only), top and skirt etc)
- If you are choosing to make a co-ordinated outfit, one garment needs to be an easy option or a simple upcycled style.
- suite your figure type
- appeal to your own unique style
- include a variety of refined skills which provides you with enough challenge to further develop your skills
- have at least two complex sewing skills (e.g. zip or other closure, lining, insert sleeves, waistband, pleats, embellishment eg. insert piping, pocket) and a range of basic sewing skills (e.g. darts, seams, hems, neatening)
- have a care label.

Your Design Solution will need to demonstrate:

- Use of the design process
- Planning and management
- Consideration for sustainability and efficient use of all resources
- Production journal
- Evaluation

Required Materials

A3 Art Folio with removable pages + full list of materials required for Residential School available in Moodle.

What to Submit:

Demonstrating the application of the Design Process and exploration of the Elements and Principles of Fashion Design, you must submit:

1. one fashion item that you have constructed at Residential School; and
2. a comprehensive A3 creative portfolio (process journal) as evidence of your progress and development of thoughts, skill mastery, exploration of ideas, annotations, photographs, pictures, drawings, patterns, activities, teaching resources, management plans and so forth.

Assessment Due Date

Residential School - Tuesday 30 June to Friday 3 July 2020 (all days inclusive and compulsory)

Return Date to Students

Students will receive feedback at Residential School.

Weighting

50%

Assessment Criteria

- Effective use of process journal to document creative processes used to respond to design brief.
- Demonstrates an array of practical skills when completing the design brief.
- Justifies decisions with annotated illustrations and/or notes, where drawings, photographic, documentation are labelled, steps identified and complex factors are contemplated.
- Explores the design process and selects materials and techniques in relation to complex factors.
- Effective use of time management skills.
- Effectively plans and organises resources for task completion, managing resources effectively, and efficiently.
- Performs a range of practical skills and selects appropriate techniques.
- Produces a product that meets the design brief.

Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

What can you do to act with integrity?

Be Honest

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

Produce Original Work

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
