General Information

Overview

This unit extends the skills and knowledge covered in EDVT11022 Textile Technology. You will explore fashion literacy and terminology in a variety of contexts. Through analysis and application of the principles and elements of design you will discern appropriate materials and fibres to create a personalised designed fashion product. In this unit you will develop the technical, procedural and safety skills and theoretical knowledge to unleash your fashion creativity. This unit equips you with the knowledge to engage in secondary schools and aligns with Home Economics, and Australian curriculum including the Design (General Syllabus) and Fashion Design (Applied Senior Syllabus).
