General Information

Overview

Quality assessment and reporting in a secondary school context requires professionally informed judgement practice using relevant knowledge, skills and dispositions. In this unit you will be asked to consider your role and the roles of your students in assessment for the purposes of improving student learning. This unit develops your capacity to interpret student assessment data and evidence to make decisions about teaching practices that will best support the needs of your students. In addition, your skills will be developed in the selection application of timely and appropriate types of feedback to improve students' learning. You will be engaged in authentic assessment tasks that will help you to develop the skills and knowledges that are essential to you as a teacher assessor. This unit requires you to draw upon contemporary literature, theory, policy and good practice in building your assessment identity.
