Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE data

Feedback

The third assessment related to contract management in engineering business was perceived as overly complex, and students appear to have lacked sufficient preparatory knowledge.

Recommendation

Students received instruction on industry-standard contract management processes. However, the assessments should be revised to include more comprehensive data and knowledge, enabling students to better understand and meet the requirements.

Feedback from SUTE data

Feedback

Some students expressed a need for earlier release of business case scenarios.

Recommendation

Business case scenarios and supporting information should be released earlier in the term.

Feedback from SUTE data

Feedback

The assignments were considered enjoyable and relevant, offering value for future studies.

Recommendation

The same authentic assessment pattern should be continued to ensure student learning from this unit.

Feedback from SUTE data

Feedback

Students appreciated the care shown by teaching team towards their well-being and support for assessments.

Recommendation

The same level of support should be continued.

Feedback from SUTE data

Feedback

Feedback on assessments was sometimes minimal.

Recommendation

More detailed feedback on assessment should be provided.
