Pre-requisites or Co-requisites

There are no requisites for this unit.

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2026

- Bundaberg
- Cairns
- Gladstone
- Mackay
- Online
- Rockhampton

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.

This information will be available on Monday 12 January 2026

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE unit comments

Feedback

Clarification of assessment requirements at the start of term.

Recommendation

All assessment requirements, including type, format, and weighting, should be confirmed and communicated to students at the start of the term to ensure transparency and consistency throughout the delivery period.

Feedback from SUTE unit comments

Feedback

The talk on concept of the unit was not clear - students were unfamiliar with the business case

Recommendation

Additional session should be devoted to explaining the unit, its concept and applications in real industry environment, etc.

Feedback from SUTE unit comments

Feedback

Inconsistency between lecture content and Moodle slides.

Recommendation

It is important to verify that all uploaded content reflects the current term's delivery. Alignment between the lecture materials and Moodle slides should be maintained.
