General Information

Overview

Engineering practice is essential for all graduating engineers. In this unit, you will analyse the structure, products, and services of your host organisation. You will demonstrate completing the professional practice requirements of your course. Additionally, you will reflect on attaining Engineers Australia's Stage 1 Competencies using evidence from your e-portfolio, professional practice experience, units studied, and other experiences. Finally, you will identify future opportunities aligned with your interests and capabilities to develop a career plan.

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student evaluation

Feedback

It would be good to provide a portfolio template over the summer.

Recommendation

A portfolio template should be provided to students over the summer upon request.

Feedback from Student evaluation

Feedback

FAQ (frequently asked questions) need to be updated.

Recommendation

Additional questions should be included when updating the FAQ.

Feedback from Student evaluation

Feedback

Clear information regarding unit requirements would be valuable.

Recommendation

Students should be provided with clarification of the unit requirements.
