General Information

Overview

This unit provides you with the opportunity to apply skills and knowledge developed in your academic course to engineering practice. This unit will also develop new engineering practice skills and knowledge. You will document and reflect on work activities and relate them to Engineers Australia's Stage 1 Competency Standards and develop a strategic approach to personal growth in the workplace. You are required to undertake a minimum of 300 hours of work placement, which may require relocation of accommodation to suit the placement. Students should contact the unit coordinator prior to enrolment in this unit to discuss placement requirements.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Unit coordinator's reflection

Feedback

Students appreciated the design of the Moodle webpage, with all information relevant to the assessment items made available from the first day of the internship.

Recommendation

The Moodle webpage should be set up before the beginning of the term, and students should have access to all information relevant to assessment items, including the report template and marking criteria.

Feedback from Unit coordinator's reflection

Feedback

Students also appreciated the on-demand drop-in sessions organised by the unit coordinator.

Recommendation

The unit coordinator should be available to promptly arrange one-on-one or group drop-in sessions with students upon request.
