General Information

Overview

This unit is designed to introduce students to maintenance strategies, philosophies and procedures, including the basic principles of asset management systems. Students will investigate and report on key concepts relating to asset and maintenance management in their organisation. They will analyse causes and develop solutions to asset and maintenance management problems and recognise and apply quality control procedures and quality assurance systems. This unit also helps students to develop the multi-literacy skills they will require to be a successful learner.

Offerings For Term 2 - 2022

- Online

Attendance Requirements

All on-campus students are expected to attend scheduled classes - in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Residential Schools

This unit has a Optional Residential School for distance mode students and the details are:

Assessment Grading

This is a graded unit: your overall grade will be calculated from the marks or grades for each assessment task, based on the relative weightings shown in the table above. You must obtain an overall mark for the unit of at least 50%, or an overall grade of 'pass' in order to pass the unit. If any 'pass/fail' tasks are shown in the table above they must also be completed successfully ('pass' grade). You must also meet any minimum mark requirements specified for a particular assessment task, as detailed in the 'assessment task' section (note that in some instances, the minimum mark for a task may be greater than 50%). Consult the [University's Grades and Results Policy](#) for more details of interim results and final grades.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from moodle and via phone

Feedback

Navigation of Moodle website needs to be easier.

Recommendation

Students will be encouraged to attend the Residential school in which these aspects are covered very well at a slow pace.

Feedback from Lecturer

Feedback

Students evaluation participation rate needs to be high.

Recommendation

More notifications will be issued at the end of the term so that more students take part in the evaluation of the unit.

Unit Learning Outcomes

On successful completion of this unit, you will be able to:

1. Develop multi-literacy skills required to become a successful learner, including reflection, communication, referencing and presentation skills
