Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student evaluations

Feedback

Some students indicated they had difficulty understanding the assignment requirements.

Recommendation

The assessment questions and marking rubrics will be reviewed. Students will be encouraged to attend interactive tutorials where they will have the opportunity to ask questions about content and assessment.

Feedback from Lecturer self-reflection

Feedback

Students would benefit from engaging with the interactive content in Moodle.

Recommendation

Completing the questions in the interactive Moodle content will be assigned some assessment weighting in order to encourage students to engage with the interactive resources.

Feedback from Student evaluations

Feedback

Provide students more opportunities to interact with the lecturer and ask questions.

Recommendation

Restructure unit delivery to ensure students have the opportunity to actively engage every week with the lecturer.
