General Information

Overview

This unit explores the management of human resources within the context of current and emerging issues in contemporary organisations. You will be engaged in identifying and delineating contemporary issues within the internal and external organisational environments and the development of strategic HRM responses. You will make predictions about HRM issues and rigorously analyse, research, and apply HRM models to address such concerns. You will be expected to develop a strategic mindset in this unit.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student Unit Evaluation

Feedback

Improving the usefulness and clarity of assessment feedback provided to students.

Recommendation

Review and strengthen assessment feedback practices by providing clear, constructive and timely feedback, with greater emphasis on explaining areas for improvement and how students can apply feedback to subsequent assessment tasks. Opportunities to clarify assessment expectations and discuss common areas for improvement will also be incorporated into teaching activities.
