**Task Description**

Students will be required to form groups of two, and to make a 30-minute appointment with the lecturer by Zoom, at a convenient time in week 5 or 6. One student will be the prosecutor and one student will be the defence counsel, in relation to a witness. Each student is to develop between ten and twenty questions to put to that witness, following the rules of evidence.

**Assessment Due Date**

Week 6 Thursday (20 Dec 2018) 11:45 pm AEST

The online assessment is completed with a fellow student and the unit coordinator in a live session. We will find a mutually suitable time.

**Return Date to Students**

Week 7 Saturday (31 Dec 2022)

I will provide oral feedback at the completion of the live session.

**Weighting**

30%

**Assessment Criteria**

I assess students on their ability to demonstrate advocacy and writing skills, to comprehend the material and to provide a clear demonstration of the law. Students are required to communicate in a clear and logical manner. I expect you to present your advocacy and paper in a professional manner. Please paginate your paper and use correct spelling and grammar. You must appropriately reference and attribute the work of others.

## 2 Experiential Written Assignment

**Assessment Type**

Written Assessment

**Task Description**

In this assessment, you will view a classic movie. You complete either Part A, which is based on the 1957 movie 'Witness for the Prosecution', OR Part B, which is based on the 1957 movie '12 Angry Men'. To complete this assignment, you will need to obtain a copy of either movie. *You may find it difficult to source the movie Witness for the Prosecution. You should have no difficulty in sourcing the movie 12 Angry Men.*

**Assessment Due Date**

Week 10 Thursday (24 Jan 2019) 11:45 pm AEST

I expect students to present their assignment work on time. Please note that I will not consider any request for an extension of time unless you upload an application in the appropriate manner, supported by documentation and made prior to the due time/date. I will impose a penalty deduction of 5% per day for late work until the nominated cut-off date, Saturday, 2 February 2019 at 11:45 PM.

### **Return Date to Students**

Week 12 Monday (4 Feb 2019)

Student satisfaction surveys in the past indicate student concerns when a unit coordinator does not provide assessment feedback quickly. Generally, I release the feedback and marks the day after the final cut-off date (that is, I provide feedback and marks 10 days after the due date).

### **Weighting**

### **Assessment Criteria**

I assess students on their ability to demonstrate thinking and writing skills, to comprehend the material, to process the material and to provide a critical analysis and logical discussion of the law. Students are required to communicate an answer clearly and logically and in a concise manner. I expect you to present your paper in a professional manner. Please paginate your paper and use correct spelling and grammar. You must appropriately reference and attribute the work of others.

I will only accept online submission of your work. Upload your work in a Word document (not PDF). I expect students to present their assignment work on time. Take care with your submission. Avoid obvious mistakes, such as basic spelling and grammatical errors. Read your paper out aloud, word by word. It is slow however; it may be a productive exercise. Alternatively, or in addition, ask a friend to read your material. Generally, you should submit one document (even if the assessment is in two or more parts) and ensure that your name is included in the name of the saved document.

## Academic Integrity Statement

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the [Student Academic Integrity Policy and Procedure](#). This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

### What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

### Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

### Where can I get assistance?

For academic advice and guidance, the [Academic Learning Centre \(ALC\)](#) can support you in becoming confident in completing assessments with integrity and of high standard.

### What can you do to act with integrity?

#### Be Honest

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

#### Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

#### Produce Original Work

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
