General Information

Overview

Law Practice Management prepares students for the transition from law school to legal practice. The unit's content will advance your legal skills, practice competencies, and management capability. As part of your learning in this unit, you will undertake a professional placement. Subject to placement availability, you will undertake a domestic placement, social innovation project, independent applied research project, international study tour, or virtual simulated placement. This unit will enable you to apply your knowledge to legal problems in real-life environments. You will undertake legal and academic analysis, integrate reflective thinking into your work, and present your ideas orally and in writing. Alongside legal practice content, this unit's content will introduce you to the management of legal practice in Australia, encompassing practice structures and business models, risk management, matter management, people management, financial management, technological innovation and legal futures.
