## **General Information**

## Overview

This unit provides students with an introduction to law in Australia, but with a special emphasis on pre-colonisation Indigenous Australan legal systems, and how these systems have been impacted by Western legal systems. The unit gives students a basic introduction to various types of law in contemporary Australian society, including criminal, civil and administrative law. In line with the unit's Indigenous Australian focus, there is also an emphasis on Native Title and property law, and the ways in which these may affect Indigenous Australians.

Coordinator: Dr Ross Skinner Phone: (07) 4930 9251 Email: r.skinner@cqu.edu.au

#### Unit presentation

10-12 hours of study per week of self-directed study

Student access to the Internet, email and residential schools is recommended for this unit, with the exception of those students in correctional centres. Students are expected to follow a self-directed study schedule which meets the required deadlines.

#### **Residential School**

Residential School is a requirement of this unit. One Residential School will be held during the term – week 3 (19 - 23 November). During this school, group work, lectures, tutorials, presentations and individual tuition will be held. Please also confirm your attendance by emailing tep@cqu.edu.au or telephoning Suellen Thomas on 1800 651 891. Travel will be organised through Centrelink, and not TEP. If you are of Aboriginal and/or Torres Strait Islander descent, it is important that you register with Centrelink/Abstudy at the earliest opportunity. Residential travel cannot be organised until the registration process has been completed. Please note that Abstudy needs 3 weeks' notice of your intended travel. Abstudy will confirm your registration with us and then arrange travel for you. TEP will arrange your accommodation and meals. Abstudy will notify you of your travel details and so it is important that your contact details are up to date. Contact TEP urgently if something at the last moment prevents you attending.

## **Unit Website**

The unit website is offered through the learning management system, Moodle. You should find this website easy to use. Consequently, you will need access to the internet. If the learning management system Moodle is temporarily unavailable when you need to submit an assessment item, you can send your assessment by email to your unit coordinator.

#### Computer (including software) requirements

Access to a computer is necessary. If you can regularly get to a CQUniversity campus, you can use the computers there. If you cannot get to a campus, it is best to have your own computer. You may also be able to use a computer at your local Queensland Open Learning Study Centre or your local library. Internet access is necessary so you can access the unit website. Microsoft Office software is preferred. Students in correctional centres do not require computer access.

#### **Assessment Information**

Assessments for this unit should be submitted electronically through Moodle. Students are required to keep back-up copies of all assessments. Please ensure that your assessment conforms to the applicable formatting guide. To submit electronically, the assessment should be saved in a format that is compatible with Microsoft Office and submitted via the Learning Management System (Moodle).

# **Academic Integrity Statement**

As a CQUniversity student you are expected to act honestly in all aspects of your academic work.

Any assessable work undertaken or submitted for review or assessment must be your own work. Assessable work is any type of work you do to meet the assessment requirements in the unit, including draft work submitted for review and feedback and final work to be assessed.

When you use the ideas, words or data of others in your assessment, you must thoroughly and clearly acknowledge the source of this information by using the correct referencing style for your unit. Using others' work without proper acknowledgement may be considered a form of intellectual dishonesty.

Participating honestly, respectfully, responsibly, and fairly in your university study ensures the CQUniversity qualification you earn will be valued as a true indication of your individual academic achievement and will continue to receive the respect and recognition it deserves.

As a student, you are responsible for reading and following CQUniversity's policies, including the **Student Academic Integrity Policy and Procedure**. This policy sets out CQUniversity's expectations of you to act with integrity, examples of academic integrity breaches to avoid, the processes used to address alleged breaches of academic integrity, and potential penalties.

## What is a breach of academic integrity?

A breach of academic integrity includes but is not limited to plagiarism, self-plagiarism, collusion, cheating, contract cheating, and academic misconduct. The Student Academic Integrity Policy and Procedure defines what these terms mean and gives examples.

#### Why is academic integrity important?

A breach of academic integrity may result in one or more penalties, including suspension or even expulsion from the University. It can also have negative implications for student visas and future enrolment at CQUniversity or elsewhere. Students who engage in contract cheating also risk being blackmailed by contract cheating services.

#### Where can I get assistance?

For academic advice and guidance, the <u>Academic Learning Centre (ALC)</u> can support you in becoming confident in completing assessments with integrity and of high standard.

#### What can you do to act with integrity?

#### **Be Honest**

If your assessment task is done by someone else, it would be dishonest of you to claim it as your own

#### Seek Help

If you are not sure about how to cite or reference in essays, reports etc, then seek help from your lecturer, the library or the Academic Learning Centre (ALC)

#### **Produce Original Work**

Originality comes from your ability to read widely, think critically, and apply your gained knowledge to address a question or problem
