LMED29009 *Infectious Diseases 2*

Term 1 - 2026

Profile information current as at 27/12/2024 10:42 am

All details in this unit profile for LMED29009 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student). The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

On completion of this unit, you will be able to describe and advise on the clinical significance of bacteria, viruses, fungi and parasites causing human disease. You will oversee the investigation of the morphological characteristics, epidemiology, laboratory identification of these microorganisms and will be able to provide advice on the causes of bacterial, mycological, parasitic and viral infectious diseases. You will describe the life cycle of important parasites and their relevance to disease control. You will be able to interpret complex serological test results related to the detection of human pathogenic viruses.

Details

Career Level: *Postgraduate*

Unit Level: *Level 9*

Credit Points: 6

Student Contribution Band: 8

Fraction of Full-Time Student Load: 0.125

Pre-requisites or Co-requisites

Prerequisite: LMED28004 Infectious Diseases 1

Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the [Assessment Policy and Procedure \(Higher Education Coursework\)](#).

Offerings For Term 1 - 2026

- Melbourne
- Online
- Rockhampton
- Sydney

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

[This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.](#)

Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.

This information will be available on Monday 12 January 2026

- Information and Communications Technology Acceptable Use Policy and Procedure

This list is not an exhaustive list of all University policies. The full list of University policies are available on the [CQUniversity Policy site](#).

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from Student evaluation

Feedback

The only feedback received was regarding the word count for Assessment 2. The comment noted that 1,000 words were insufficient to meet the criteria required for the assessment.

Recommendation

The word count requirements for assessment item 2 will be re-evaluated for future deliveries.

Feedback from Self reflection

Feedback

Additional clinical case studies would improve the student learning.

Recommendation

Include more clinical case study analysis and result interpretations into tutorial sessions.

Unit Learning Outcomes

Information for Unit Learning Outcomes has not been released yet.

This information will be available on Monday 12 January 2026

Alignment of Learning Outcomes, Assessment and Graduate Attributes

Information for Alignment of Learning Outcomes, Assessment and Graduate Attributes has not been released yet.

This information will be available on Monday 12 January 2026
