MEDI14005 *Medical Imaging Clinical Practicum* Term 1 - 2027

Profile information current as at 12/11/2026 10:52 am

All details in this unit profile for MEDI14005 have been officially approved by CQUniversity and represent a learning partnership between the University and you (our student).The information will not be changed unless absolutely necessary and any change will be clearly indicated by an approved correction included in the profile.

General Information

Overview

This is the capstone unit of the Bachelor of Medical Imaging course. In this unit you will consolidate your technical and behavioural skills to practice holistically as a radiographer. You will demonstrate the ability to work both autonomously and as an effective team member across a range of work environments and procedure areas, operating at the level expected for entry to practice as a registered practitioner.

Details

Career Level: *Undergraduate*
Unit Level: *Level 4*
Credit Points: *24*
Student Contribution Band: *8*
Fraction of Full-Time Student Load: *0.5*

Pre-requisites or Co-requisites

Pre-requisites: MEDI14001 Transition to Independent Practice MEDI14006 Medical Imaging Clinical Placement 3. This unit must have been completed within the past six months. Should this time limit be exceeded, the student must undergo a period of on-campus skills revision as determined by the Head of Course and successfully complete skills assessments to demonstrate currency of professional skills.
Important note: Students enrolled in a subsequent unit who failed their pre-requisite unit, should drop the subsequent unit before the census date or within 10 working days of Fail grade notification. Students who do not drop the unit in this timeframe cannot later drop the unit without academic and financial liability. See details in the Assessment Policy and Procedure (Higher Education Coursework).

Offerings For Term 1 - 2027

- Mixed Mode

Attendance Requirements

All on-campus students are expected to attend scheduled classes – in some units, these classes are identified as a mandatory (pass/fail) component and attendance is compulsory. International students, on a student visa, must maintain a full time study load and meet both attendance and academic progress requirements in each study period (satisfactory attendance for International students is defined as maintaining at least an 80% attendance record).

Website

This unit has a website, within the Moodle system, which is available two weeks before the start of term. It is important that you visit your Moodle site throughout the term. Please visit Moodle for more information.

Class and Assessment Overview

Information for Class and Assessment Overview has not been released yet.
This information will be available on Monday 11 January 2027

- Student Academic Integrity Policy and Procedure
- Academic Progression Policy and Procedure
- Student Refund and Credit Balance Policy and Procedure
- Complaints Policy and Procedure
- Information and Communications Technology Acceptable Use Policy and Procedure

This list is not an exhaustive list of all University policies. The full list of University policies are available on the CQUniversity Policy site.

Previous Student Feedback

Feedback, Recommendations and Responses

Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from U/C reflection

Feedback
Students may benefit from clear guidance on the study leave days available to them during their allocated clinical placement, helping them manage unit submission requirements effectively.

Recommendation
Consider providing more details within the UP around attendance. Explain what and how to use the allocated study leave days during their placement time so that rostering and timetabling of assessment tasks can be facilitated appropriately. Make sure that this information is likewise conveyed to supervisors through the WIL office to avoid unnecessary confusion.

Feedback from Marker Feedback SUTE Feedback

Feedback
Several students required further information around the mentorship sessions including the associated activities.

Recommendation
Investigate the option to distribute information in advance.

Feedback from Medical Imaging Team

Feedback
Culturally safe reflection task coincided with the GAPA submission due dates affecting marking and feedback turnaround time.

Recommendation
Review assessment task timing to reduce overlap of due dates, enabling timely feedback by markers.

Unit Learning Outcomes

Information for Unit Learning Outcomes has not been released yet.
This information will be available on Monday 11 January 2027

Alignment of Learning Outcomes, Assessment and Graduate Attributes
