MEDS13006 *Medical Sonography Clinical Unit 2*
Term 2 - 2025

Profile information current as at 23/11/2024 07:48 pm

General Information

Overview

This clinical unit will provide you with opportunities to apply and integrate theoretical and practical knowledge, skills and professional behaviour in the clinical environment, independently and under the supervision of qualified professionals. The practical focus in this unit includes the completion of an ultrasound scan to 'Advanced Beginner' – (student) Level 2 competence as described by the Professional Competency Framework for Sonographers adopted by the Australasian Sonographers Association and the Australian Sonographer Accreditation Register. You will learn to analyse images and solve problems, developing critical thinking and clinical reasoning skills. You will demonstrate reflective practice to expand your core knowledge and experience. You will also behave professionally using interpersonal skills relevant to sonographic practice in accordance with CQUniversity graduate attributes and Australian Sonographer Accreditation Registry accreditation requirements. You are expected to critically reflect on your own performance and exhibit a high level of safe patient care. Critical appraisal of performance will enable you to develop your own patient care, professional, technical and analytical skills in a work setting.

Previous Student Feedback

Feedback, Recommendations and Responses
Every unit is reviewed for enhancement each year. At the most recent review, the following staff and student feedback items were identified and recommendations were made.

Feedback from SUTE feedback Teacher reflection

Feedback
The rubric for peer marking of case presentations during Zoom tutorials could be improved for clarity.

Recommendation
Consider expanding the rubric for peer review of case studies and provide scaffolding to the students in how to use the tool properly.

Feedback from SUTE feedback Teacher reflection

Feedback
The number of case logs required during the 10 week placement was difficult for all students to achieve.

Recommendation
Consider a reduction in the case log numbers to better suit the length of placement and skill level of students, whilst still meeting external accreditation requirements.
